Vodka V&T servers

BELVEDERE & SLIM-LINE.....17.50

A clear vodka characterised by its exceptional gentleness and unique quality. It has natural and traditional aspects but also original character. Belvedere takes its purity from the Białowieża Forest; one of the most inaccessible regions of Poland. The water used for Belvedere comes from the deepest well in the ecologically cleanest region of Poland.

SAUVELLE & TONIC.....16.00

A smooth and luxuriant craft vodka, Sauvelle is the drink of choice for the free-spirited, the well-travelled, the bon vivant. A blend of 'wild' and 'beautiful' in French, Sauvelle is named in honour of both its origins in the heart of the Cognac countryside and the people for whom it was created.

CIROC & MEDITERRANEAN TONIC18.00

About this item. CIROC is one of the only vodkas in the world made from fine French grapes. CIROC vodka has Sean Diddy Combs as the main brand ambassador. CIROC vodka has an exceptionally smooth and delicious citrus taste.

CHASE & TONIC WATER.....16.00

Chase Vodka, voted best vodka by San Francisco World Spirits Competition in 2010, is the first and only British potato vodka on the market. Chase Vodka is three times distilled in the bespoke copper pot still to create the finest smooth and creamy spirit with true provenance.

NIKKA & ELDERFLOWER TONIC16.50

One of the big names in Japanese whisky is exploring something new - Nikka now has its very own vodka! Made using their Coffey stills with a blend of corn and malted barley, Nikka Coffey Vodka is filtered through white birch charcoal to achieve its desired clarity and flavour profile. A rather exciting release from the legendary distillers.

CRYSTAL HEAD & MEDITERRANEAN TONIC.....19.50

This is one of the most brilliant things ever to be, also one of the very finest celebrity-endorsed products we've ever seen. Created for the legendary Dan Aykroyd, Crystal Head Vodka is kosher-certified, and made using Newfoundland water which is filtered through 500 million year old crystals called Herkimer diamonds.

VAT at 20% is included. A discretionary 12.5% service charge will be added to your bill.

Please note that all our spirits are served in 50ml measure, 75ml for our products based on wine and 125ml for wine and champagne by the glass.

Great G&T serves

TANQUERAY SEVILLA & AROMATIC TONIC.....16.50

The rare Sevilla orange is an ingenious choice to bring a distinct and bold flavour to Tanqueray Sevilla. With the zestiness of lime and the juiciness of mandarin orange, this gin is the best kept secret of the British-Indian tradition. Best enjoyed with aromatic tonic water and a slice of orange.

SIPSMITH & ELDERFLOWER TONIC.....14.50

Sipsmith Gin is presented as a marriage between England, where it is distilled and Iceland, where it is reduced to bottling strength with pure Icelandic spring water. Classic gin recipe with a particularly notes of cucumber essence add on it. All the ingredient has been cooked separately and then blend them together at the end.

N.3 LONDON DRY & MEDITERRANEAN TONIC.....16.00

A beautiful looking gin from Berry Bros. made to a special recipe, the name No.3 refers to the address of BBR- Number 3, St James's Street. With juniper at its heart, it's also made with orange peel. Grapefruit peel, coriander, cardamom and angelica.

WARNER RHUBARB & AROMATIC TONIC.....19.00

The Warner Edwards distillers in Northamptonshire have brought us another flavour of excellent gin - they've been rather prolific since they started in 2012, haven't they? This time, they've gone all regal and created Victoria's Rhubarb Gin, which uses a variety of rhubarb originally grown in Queen Victoria's garden, hence the name, as well as their Harrington Dry Gin. They also add just enough sugar to balance out the acidity from the rhubarb, producing a spirit with plenty of sweetness and some subtle, enjoyably sour notes emanate from the rhubarb.

CAMBRIDGE GIN & TONIC WATER.....16.00

A terrific gem of a gin from the Cambridge Distillery, made with Macedonian juniper and a selection of botanical capturing the essence of all four seasons. Cambridge Dry Gin features blackcurrant leaf, lemon verbena, angelica seed, rose petals, violet petals and basil and rosemary from the distillery gardens.

MONKEY 47 & MEDITERRANEAN TONIC.....20.00

A master quality gin with floral notes, the freshness of tangy citrus fruits, a clear juniper tone, a peppery, spicy mouthfeel and a subtle hint of cranberries to give it that certain "je ne sais quoi". Rare but True Admittedly, it appears somewhat eccentric to claim that a recipe for gin has the power to unite great British traditions, the exoticness of India, and the purity and nativeness of the Black Forest.
